

The Little Things

Swan Feistel  
April 1, 1992

Enjoy the finer things of life  
Capture brief moments of joy  
Experience life without sorrow  
Touch the heart of tiny tots

Evoke courage in the weak  
Consider those of lower rank  
Express love through small deeds  
Tarry over the trivial

Erase not young inspiration  
Comfort with soft words  
Encourage the lowly of mind  
Take time for the little things
