Hi Elliott,

I hope you're enjoying a well deserved break.

I write to confirm that per your request, Provost Lange and I have agreed to rename the administrative portion of the Student Activities Fee. It will now be called a Student Services Fee and will appear independent of the Student Activities Fee on the bill.

This was a thoughtful suggestion and we're pleased to support the change.

I hope you catch up on sleep and I look forward to seeing you next week.

Larry
