

**Subject:** LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS RECRUITING CIVIL ENGINEERING ASSISTANTS

**From:** "Chon, James" <JCHON@ladpw.org>

**Date:** Thu, 10 Mar 2005 16:57:32 -0800

**Los Angeles County Department of Public Works is hiring Civil Engineering Assistants.**

My name is James Chon with the Los Angeles County Department of Public Works. I will be at the University on April 6, 2005 to recruit graduating students with B.S. or M.S. degree in Civil Engineering. Our organization is the largest Public Works in the nation and offer a variety of beginning level of opportunities in virtually all fields of civil engineering.

I am in contact with the school's career center coordinator Ms. Larhonda Woodward at (919) 660-1060 or 1050 to schedule appointments for interviews. I would appreciate it if you could pass this along to your students or fellow students or anyone who might be qualified and interested in the position. Those interested in signing up for an interview can contact Ms. Woodward directly or at <http://www.monstertrak.com>.

LA County Department of Public Works offers great work experience, career development, tuition reimbursement, fringe benefits, starting monthly salary (\$4,198 - \$4,940 for BS degree and \$4,432 - \$4,940 for MS degree), 4-day work week, and inter-departmental rotation program.

Please feel free to contact me at (626) 300-4721 or to this email. You can also check out our website <http://www.ladpw.org>.

Very truly yours,

James Chon
