Bovis Lend Lease

“Providing the Best Real Estate Outcomes for our Clients Globally”

Bovis Lend Lease offers a range of challenging undergraduate and graduate internship programs. Graduate recruitment is integral to the global corporate strategy of attracting and developing high caliber people and then harnessing their energies and skills for the benefit of all parties.

We encourage creativity and innovation in all our employees; as an employee or an intern at Bovis Lend Lease you can expect a stimulating and rewarding experience and to enjoy the diversity and variety integral to a global organization that respects and values the contributions of people with differing skill sets, cultures and backgrounds. You will be commencing an employment with an organization that empowers its people with responsibility and accountability and offers a dynamic and supportive work environment.
